MEMORANDUM FOR: See Distribution

FROM :

Assistant Legislative Counsel/OLC

SUBJECT : Follow-up to DDCI's FOIA Testimony Before HPSCI

1. As distributees are aware, Mr. Carlucci promised, during the Executive session of the House Permanent Select Committee on Intelligence Subcommittee on Legislation's FOIA hearing, to deliver to them at a later date certain items not available at that time. I have in my possession the transcript from that hearing which I have reviewed in order to determine those items not yet provided the Subcommittee. They are as follows: [redacted]

-- The Committee requested newspaper article(s) and other relevant information which we have relating to the activities of the Carlton Press vis-a-vis the FOIA. I believe that [redacted] would be in the best position to pull together this material. [redacted]

-- The Committee asked for a copy of the affidavit relating to the C.K. Liew request which described the nature of our deletions. OGC would be in the best position to handle this item. [redacted]

-- The question was asked whether Mr. Epstein uncovered any of his information utilized in his book through the FOIA process. Again, [redacted] could best service this request. [redacted]
